

Front Door Diagram

Re-use existing front door with new Simpson sidelight and transom windows with clear glass. Transom window was added based on review of other period houses in NC. All instances of sidelights also had transom window. Door and trim are to be painted blue (same color as front window trim ... see sample)

RE: **Sign Application - 239 Commercial Street –
“Stik-It Kabob Restaurant” –Erica Robison, Owner**

The Commission, at their meeting of July 15, 2010 reviewed the proposed sign for Stik-It Kabob Restaurant. The matter was continued to the next meeting to allow the application time to provide a variation on the lettering style and the graphics.

Attached is the revised sign application which notes that the previous submitted colors will be used. The colors are ivory background, maroon lettering with gold accent. The sign will be hung from an existing wrought iron bracket.
