WHAT TO BRING:

The following is a list of items that your camper should bring to camp EVERY day. If there are any additional items that they need to bring, camp staff will inform you when you pick up/drop off your child.

- ✓ Campers may not take Lego creations home, so we encourage bringing cameras to camp to take pictures of your creations.
- ✓ Campers should wear comfortable clothes that they can run, jump and play in.
- ✓ Snacks (tips & ideas are included below.)
- ✓ Wear toe-covered shoes
- ✓ Water bottle

Mark your name on all items; put it all in a Backpack and you should be ready for a day of fun!

We request that you NOT allow your child to bring toys, electronics, cell phones, etc. to camp.

SNACK TIPS:

- ✓ Please bring peanut-free snacks.
- ✓ There will not be refrigerator space available for your child's snacks.
- ✓ Do not send foods that need to be microwaved.
- ✓ Semi-perishable or non-perishable foods are recommended.

MEDICATIONS:

Camp Staff cannot administer medications to participants without written consent from a parent. No medications can be provided by the Camp Employees or Nevada City Parks and Recreation. If your child needs to take medication while at camp, please notify the Camp Director.
