

Nevada City Safe self Certification Agreement

Date: _____

Business Name: _____

Business Address: _____

Business Industry/Type: _____

Contact Name: _____ Contact Phone: _____

Contact email: _____

The above business does affirm and enforce the following state and local guidelines to ensure maximum safety for the community:

- Has performed a detailed risk assessment and implement a site-specific protection plan (SPP)
- Has trained employees on how to limit the spread of COVID-19, including how to screen themselves for symptoms and stay home if they have them
- Has implemented individual control measures and screenings including masks for employees and customers
- Has implemented disinfecting protocols
- Has implemented physical distancing guidelines

Certification

I, _____, affirm that the above mentioned business is following the recommended state and local guidelines to the best of my knowledge, that all employees have received trainings as required in this Protocol, that a copy of this Protocol will be posted as required herein, and that applicable measures are being implemented as set forth herein. I will provide a copy of this Protocol to the City of Nevada City or law enforcement upon request.

I further affirm that I have completed and passed the Nevada City Business Mitigation Practices and Self- Certification assessment and have received and will publicly posted my business's Self-Certification form. I understand that the City of Nevada City may remove this certification poster if it is determined that the business is not following safety protocols.
