

Prop 68 Public Workshop

February 20, 2019

Brainstormed Ideas – typed as written on papers provided

Field

Pickleball Courts (Next to tennis courts – 6+ pickleball; behind Seaman’s Lodge – 4courts/terraced, plus water fountain & restrooms)

Garden for the community

Public restrooms at tennis courts need improvement

Gravel road from tennis court to Bandshell is dark at night, full of potholes

Remove permanent concrete BBQ’s in picnic grove

Wasps at Bandshell

Poor or broken locks on Bandshell doors

Handicap parking/access to concerts/events

Re-do/improve tennis court lighting

Fix field of “soggy” water/muddy issues & re-sod

Designated striped parking spaces in lower parking lot to Picnic-Left

Soccer fields (Old Airport)

Walkways/perimeter

Keep the creek free of berry bushes & encroaching plants – more clear access to creek and to walkways

Pool to Picnic Areas

Make picnic grove power more dependable

Public restrooms must be improved

Better lighting

Perimeter fencing/security

Upper drive access road needs better width – move rock wall (near carriage house)

Nearby parking

Signage to picnic grove

Like picnic area “as is”

Get rid of sand in play area (rubbermat)

Shade structure in playground

Better marking on boundaries

Climbing boulders

More parking

Splash pad

More designated lap lanes in pool

Seaman's Lodge

Redo kitchen and bathrooms

Remodel inside Seaman's Lodge: kitchen, bathrooms, floors, add fireplace, closets, stage, security cameras (someone wrote "ditto" next to this)

New windows

Refinish floor

Change acoustics inside to reduce echo-ness

Fire insert

Hanging projector platform

Energy efficient window upgrades

Other Ideas

Upgrade Carriage House – make it a feature

ADA play spaces

Dog park

Pickleball Courts – add dedicated courts including lights

Community garden

Children's play water feature at site of old fountain

Exercise equipment/course

Resurface existing tennis courts for tennis and pickleball

New multi-use indoor facility for: basketball, volleyball, soccer, pickleball, senior activities (bingo, bridge, etc), exercise classes/equipment

Soccer fields (Old Airport)

Pickleball (Old Airport)

Walking trail around the entire park with signage

425 Nimrod St.

Art Center for Seniors

Senior Center for all activities

Can we get a tour?

Handicap Bridge access from Parking lot

More parking

Pickleball Courts Info

4 courts minimum

6 preferred

10 million players worldwide

Must have proper width and length for sanctioned tournaments

Must have lighting

NC, GV, Penn Valley account for at least 300 players

Tennis is still popular

Do not lose the tennis courts

Suggested Items for Prioritization Survey

ADA play spaces

Bathrooms must be improved

Carriage House: upgrade/make it a feature

Climbing boulders

Exercise equipment/course

Field - fix soggy/water/muddy issues & re-sod

Garden for the Community

Lighting – improved throughout park

New multi-use indoor facility for: basketball, volleyball, soccer, pickleball, senior activities (bingo, bridge, etc), exercise classes/equipment

Parking create more and designate striped parking spaces in lower parking lot to Picnic-Left

Perimeter fencing/security & better marking on boundaries

Pickleball Courts (4-6 Courts)

Picnic-Areas: Do not make major changes, I like them the way they are.

Picnic-Left & Right: directional signage

Picnic-Right – improve driveway from playground down to picnic area

Playground: change sand surface to rubber mat or wood chips

Playground: add shade structure

Seaman's Lodge: remodel including most or all of the following: renovate kitchen, renovate bathrooms, re-finish floors, renovate fireplace, add security cameras, replace windows with more energy efficient model, change acoustics inside to reduce echo-ness, add audio/visual equipment

Splash pad/Children's Water Feature Play Area

Tennis court lighting - re-do/improve

Tennis courts: resurface existing for tennis and pickleball

Walking trail around the entire park with signage
