

Prop 68 Public Workshop – NC Farmers Market

March 16, 2019

Brainstormed Ideas – typed as written on papers provided

Field

Stroller friendly path around the entire park

Pool to Picnic Areas

Baby swings that are higher off the ground for easier parent pushing (a 2nd person liked this)

More swings (2 other people liked this)

Shade sails in playground – especially over swings (2 other people liked this)

Upscale/clean bathrooms by playground

Big slides at the swimming pool

Water features at pool and at parks (2 more people liked this)

Paved trails around the park (1 other person liked this)

Natural playground elements

ADA water fountain/hydration station at playground

Change big slide railing (a 2nd person liked this idea)

Kid zone near the creek – “Must be accompanied by a minor”; use trees and shrubs to block area – don’t feel family safe currently

Get fountain working (a 2nd person wanted this)

Boulder climbing structure on playground

Increased seating for parents on parking side of playground

Fencing all the way around the playground (keep kids in and dogs out)

Erosion/water play table

Little round tables near playground for parents

Other Ideas

Community Garden with tomatoes, apples & strawberries

More flowers

More fruit – fruit trees on streets nearby for community access

Special needs portion for park

More benches

Fix streets & sidewalks from roots/trees

South Yuba Club former location becomes indoor rec facility

Repave basketball courts for wheel sports (roller hockey, roller skating)

Skate park

Updated basketball court

Volleyball court – grass &/or indoor

More event parking

More farmers markets (a second person liked this)

Wheelchair & stroller access

Trees along fence line at Tennis Court Picnic Area
