

Prop 68 & Pioneer Park Projects

We Want Your Ideas & Input!

What is Prop 68?

Prop 68, the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018 was passed by California voters during the June 2018 election. There are \$254,942,000 available and the City of Nevada City would like to put in an application.

What Can the Funds be Used For?

The funds can be used to create a new park, expand or renovate an existing park.

How can I help?

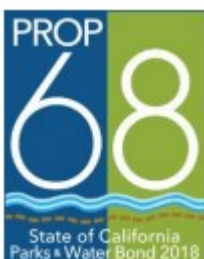

The City would like to apply for funds to make improvements or provide additional recreational opportunities at Pioneer Park and we want input from the Public to find out what is most important to the community.
