

Answers to the Application Questionnaire and Procedure for Adult Use

1. For the remainder of the year, Shady Creek Trading Company will not be hiring any more employees than would be necessary for manufacturing under Medical Use. The introduction of our product into the cannabis marketplace will remain on a trial basis.
2. No additional vendor or distribution trips will be required as our production goals will not change for this year. Our growth will be as stated for the original application.
3. There will be no change to the Parking Plan.
4. There will be no impact on traffic due to Adult Use Classification.
5. There may be some additional hours but nothing outside of the agreed terms of the application.
6. Omitted
7. All our documentation has been designed to accommodate Adult Use as well as Medical Use. Our dosing limitations are set to Adult Use standards which is more restrictive than Medical Use.

The switch to Adult Use by Shady Creek Trading Company is necessary to attract investors. Due to the changing cannabis marketplace, Medical Use will limit the exposure and distribution outlets necessary for cannabis businesses to enter main stream distribution. "21,Over the Counter" Bills are in the State Legislature now awaiting approval. This is the future of the cannabis marketplace.
